Quality Manager, Kidney Transplant Services, Virginia Transplant Center at Henrico Doctors’ Hospital, Richmond, VA

Objectives
Following this three day QAPI Institute Course participants will be able to:
• Evaluate tools used to monitor outcomes in solid organ transplant programs.
• Explain the difference between quality assurance and performance improvement.
• Identify the regulatory requirements for transplant programs.
• Develop an effective QAPI plan for a transplant program.
• Analyze methods for ensuring multidisciplinary team involvement that is focused on quality outcomes.
• Describe effective processes and tools for collecting, analyzing and reporting data.
• Discuss staffing models to support the focus on quality in transplantation.
• Examine tools for evaluating and analyzing patient safety events.
• Articulate the role of program leadership related to initiation and oversight of quality and patient safety.

Who Should Attend?
The scope of this course makes it an ideal focused quality training opportunity for:
• Hospital Quality Staff
• Hospital Administrators and Executives Responsible for Transplant Programs
• Transplant Administrators
• Physicians and Surgeons with Leadership Responsibility for Transplant Quality
• Transplant Clinical, Data, and Operational Managers
• Transplant Quality Coordinators/Officers
• Transplant Compliance Coordinators
• Transplant Educators with Responsibility to Educate and Engage Staff in Quality
• Performance Improvement staff

Accommodations
The JW Marriott is a Buckhead luxury hotel in the heart of the business, shopping and entertainment district for endless leisure activities and corporate pursuits.
Situated in the exclusive district, the hotel epitomizes style and grace with personalized service and attention to detail. Connected to Lenox Square Mall, enjoy the endless number of stores.
